

8135: 5 Drawer Mobile Unit

- Drawers (height): 5 x 100 mm
- Overall size: W 450 x D 520 x H 700 mm
- Industrial grade castors for mobility around lab/workshop
- ESD, RAL 7035 light grey paint finish, matches CalBench
- Frame material: Epoxy powder-coated steel
- Central locking feature
- Top tray and in-laid mat
- Optional drawer divider kits available
- For positioning under 7080-HD type CalBenches

8134: 4 Drawer Mobile Unit

- Drawers (height): 2 x 100 mm, 2 x 150 mm
- Overall size: W 450 x D 520 x H 700 mm
- Industrial grade castors for mobility around lab/workshop
- ESD, RAL 7035 light grey paint finish, matches CalBench
- Frame material: Epoxy powder-coated steel
- Central locking feature
- Top tray and in-laid mat
- Optional drawer divider kits available
- For positioning under 7080-HD type CalBenches

8133: 3 Drawer Mobile Unit

- Drawers (height): 2 x 150 mm, 1 x 200 mm
- Overall size: W 450 x D 520 x H 700 mm
- Industrial grade castors for mobility around lab/workshop
- ESD, RAL 7035 light grey paint finish, matches CalBench
- Frame material: Epoxy powder-coated steel
- Central locking feature
- Top tray and in-laid mat
- Optional drawer divider kits available
- For positioning under 7080-HD type CalBenches

8130: Mobile Cabinet Unit

- Overall size: W 450 x D 520 x H 700 mm
- Industrial grade castors for mobility around lab/workshop
- ESD, RAL 7035 light grey paint finish, matches CalBench
- Right or left sided opening available
- Cabinet locking feature
- Includes one bottom shelf and one adjustable shelf
- Frame material: Epoxy powder-coated steel
- Top tray and in-laid mat
- For positioning under 7080-HD type CalBenches

TL109: CalBench Mobile Extension Bench

An industrial grade mobile work bench designed to attach to the CalBench system. It features castor wheels and under worktop clamp mechanism for CalBench connection. It acts as an ergonomic extension to the CalBench system, providing both additional storage and worktop space.

- CalBench mobile extension bench
- W 750 x D 800 x H 855 mm
- Durable grey laminate worktop matches CalBench
- Reinforced, steel section framework
- Castor wheels and clamping mechanism for securing to CalBench
- Framework finished with RAL 7035 light grey
- Base shelf for instrument storage such as dry block calibrators

TL10: Mobile Storage Trolley

An industrial trolley built for practical and easy mobility of equipment in the workshop. The unit is made of steel with three shelf sections lined with rubber matting. The middle shelf can be set at different levels as required.

- Mobile trolley (W 650 x D 450 x H 775 mm)
- 4 swivel castors and 2 brakes
- Push-pull handle
- Adjustable middle shelf, can be set for different sized items
- Robust mild steel construction, industrial grade
- Light grey RAL 7035 paint finish
- Each shelf lined with rubber matting

TR3S and TR4S: Universal Open Shelf Trolleys

Ergonomic open shelved trolleys suitable for positioning equipment and tools that can be easily accessed and moved around the workshop or lab.

- Overall dimensions: 660 mm x 650 mm x 1415 mm
- TR3S: 3 shelves / TR4S: 4 shelves (shelf size 650 x 530 mm)
- Height adjustment of shelves by allen-key
- The vertical profiles are of aluminium
- Frames are of epoxy powder coated steel: light grey RAL 7035
- The worktops are of 25 mm laminated particle board
- Four swivel castors Ø 100 mm of which two are braked

TL14: Mobile Work Bench

A mobile work bench of durable steel construction enabling heavy duty workload in labs and workshops. Well suited to mobile applications and transportation of bulky equipment, or situating large test instruments and benchtop consoles.

- L 1500 x D 800 x H 940 mm
- 1500mm durable grey laminate worktop
- Reinforced, steel section framework for heavy load bearing
- Finished with RAL 7035 light grey
- Rubber tyred castors with swivel and brake mechanisms

**TL03: Compact 4 Drawer Mobile Cabinet**

A compact mobile drawer unit suitable for tools and accessories in the workshop. With four drawers, a top tray and inlaid mat.

- Dimensions: W 525 x D 525 x H 780 mm
- 3 x 100 mm, 1 x 200 mm height drawers, top tray and inlaid mat
- RAL7035 light grey housing with RAL5010 blue drawer fronts
- Drawer blocking, safety interlocks, and central locking system
- Rubber tyred castors with swivel and brake mechanisms
- Total combined load capacity 300kg
- Top tray with vinyl inlaid mat and anti roll-off, formed edges
- Optional worktops and custom colours available

**TL04: Compact 5 Drawer Mobile Cabinet**

A compact mobile drawer unit suitable for tools and accessories in the workshop. With five drawers, a top tray and inlaid mat.

- Dimensions: W 525 x D 525 x H 780 mm
- 2 x 75, 2 x 100, 1 x 150 mm height drawers, top tray and inlaid mat
- RAL7035 light grey housing with RAL5010 blue drawer fronts
- Drawer blocking, safety interlocks, and central locking system
- Rubber tyred castors with swivel and brake mechanisms
- Total combined load capacity 300kg
- Top tray with vinyl inlaid mat and anti roll-off, formed edges
- Optional worktops and custom colours available

**TL12: Mid-Sized Mobile Cabinets**

- TL12: 5 drawers (2 x H 100, 3 x H 175 mm)
- TL12A: 6 drawers (3 x H 100, 2 x H 125, 1 x H 175 mm)
- TL12B: 7 drawers (6 x H 100, 1 x H 125 mm)
- TL12C: 2 drawers (2 x H 100 mm) + cupboard (H 500 mm)
- Dimensions: W 800 x D 550 x H 965 mm
- Welded steel construction with push - pull handle
- RAL 7035 light grey housing with RAL 5010 blue drawer fronts
- Drawer blocking, safety interlocks, and central locking system
- 125 mm diameter castor set, 2 with brake
- Top tray with vinyl inlaid mat and anti roll-off, formed edges
- Optional worktops and custom colours available

**TL13: Large Mobile Cabinets**

- TL13: 5 drawers (2 x H 100, 3 x H 175 mm)
- TL13A: 6 drawers (3 x H 100, 2 x H 125, 1 x H 175 mm)
- TL13B: 7 drawers (6 x H 100, 1 x H 125 mm)
- TL13C: 2 drawers (2 x H 100 mm) + cupboard (H 500 mm)
- Dimensions: W 1050 x D 550 x H 965 mm
- Welded steel construction with push - pull handle
- RAL 7035 light grey housing with RAL 5010 blue drawer fronts
- Drawer blocking, safety interlocks, and central locking system
- 125 mm diameter castor set, 2 with brake
- Top tray with vinyl inlaid mat and anti roll-off, formed edges
- Optional worktops and custom colours available

TL00MT1: 2 Cupboard Maintenance Trolley

A trolley with two 725 mm cupboards each with 1x shelf internal. Features include a push/pull handle, tyred castors with brake, top tray with rubber inlaid mat.

- W 1050 x D 550 x H 965 mm
- 2 x 725 mm height cupboards, each with 1 x shelf internal
- RAL 7035 light grey housing with RAL 5010 blue cupboard fronts
- Drawer blocking, safety interlocks, and central locking system
- Rubber tyred castors with swivel and brake mechanisms
- Total combined load capacity 200 kg
- Top tray with rubber inlaid mat and anti roll-off, formed edges
- Optional worktops and custom colours available

TL00MT2: 10 Drawer Maintenance Trolley

A multi drawer trolley for use in the workshop or laboratory. Top tray and inlay mat as standard, table tops optional.

- W 1050 x D 550 x H 965 mm
- 4 x 100 mm, 6 x 175 mm height drawers
- Reinforced, welded steel housing
- RAL 7035 light grey housing with RAL 5010 blue drawer fronts
- Drawer blocking to prevent accidental opening
- Drawers fully extendable (50 kg U.D.L.)
- Rubber castors with swivel and brake mechanisms
- Top tray with rubber inlaid mat and anti roll-off, formed edges

TL00MT3: Combination Maintenance Trolley

A combination trolley with cupboard and five drawers. Suitable for housing hand tools as well as larger equipment.

- W 1050 x D 550 x H 965 mm
- 2 x H 100, 3 x H 175 mm drawers, 1 x H 725 mm cupboard with shelf
- Reinforced, welded steel housing
- RAL 7035 light grey housing with RAL 5010 blue door fronts
- Drawer blocking to prevent accidental opening
- Drawers fully extendable (50 kg U.D.L.)
- Rubber castors with swivel and brake mechanisms
- Top tray with rubber inlaid mat and anti roll-off, formed edges

TL00MT4: Combination Maintenance Trolley

A combination trolley with cupboard and six drawers. Suitable for housing hand tools as well as larger equipment.

- W 1050 x D 550 x H 965 mm
- 3 x 100, 2 x 125, 1 x 175 mm drawers, 1 x 725 mm cupboard with shelf
- Reinforced, welded steel housing
- RAL 7035 light grey housing with RAL 5010 blue door fronts
- Drawer blocking to prevent accidental opening
- Drawers fully extendable (50 kg U.D.L.)
- Rubber castors with swivel and brake mechanisms
- Top tray with rubber inlaid mat and anti roll-off, formed edges
